TOTAL ECLIPSE

SEE YOU IN THE SHADOW

Special Educational Program for High School and Middle School Students with NASA's Scientists at Homestead National Monument of America

Friday August 18, 2017

High School and Middle Schools students will have the opportunity to learn more about what NASA's current and future space exploration, scientific discovery and aeronautics research with NASA's scientists.

Bring your class to Homestead and enjoy this **Free Educational Program** with NASA's scientists at the Education Center from 12 p.m.-2 p.m.

Friday, August 18, 2017

12 p.m. **Lunar Reconnaissance Orbiter**

Andrea Jones, NASA Space Science Lead, Earth to Sky Interagency Partnership

1 p.m. **Citizen Science**

Kristen Weaver, NASA, Deputy Coordinator of the GLOBE Observer Program

Come for one or all presentations.

Schools and other Educational Groups are encouraged to Pre-Register for the August 18th program.

For registration and/or more information call 402-223-3514 and ask for the Education Coordinator or email at home_education@nps.gov

Safety is Homestead's #1 Priority

Protective eyewear is being sold on site at the park's Eastern National Bookstores. You are encouraged to get your protective eyewear before the Total Solar Eclipse.

Make your reservation now and don't miss this event.
